Du'a the Weapon of the Believer

By Sh. Yasir Qadhi

In a Prophetic hadeeth, we are informed that du'a is the essence of worshipping Allah, and the most noble and blessed of acts. In this series of lectures, the speaker discusses, amongst other things, the blessings of du'a, its pre-conditions and recommended etiquettes, the timings and situations in which a du'a is more likely to be answered, the various factors that aid or prevent a du'a from being accepted, the relationship of du'a with Divine Destiny (Qadr), the wisdom behind a delayed response, and other relevant topics.
